Sir,

Under rule 44(2) of Schedule IV of the Municipal Act the cost of treatment of any inhabitant of the Municipality other than the sick poor in any of the hospital or dispensary maintained from Municipal Funds has to be recovered from the party concerned. Under clause 3 of the said rule the Council may also permit the treatment in the dispensary of any person not resident in the Municipality but the sick poor of the municipality alone is entitled to free treatment. The Municipal Council has therefore decided to levy a fee of anna one for the supply of medicin

etc., per day from each patient other than indigent (whose monthly income does not exceed Rs.50) residing within Municipal limits and from all patients from outside the Municipal limits seeking treatment at the Ayurvedic Dispensary maintained by the Council. I request Government may be pleased to accord sanction to the proposal under clause 2 of rule 44. The cost of the supply of medicine per day does not exceed anna one.

A copy of the Council's resolution is enclosed.

Your obedient servant,

Chairman-Delegate, M. C.

Levy of fees in medical institutions.

Please see rules 44 (2) & (3) of Sch. IV of the M. D. Act 1920 which govern the levy of fees in medical institutions maintained by mul cls. Under these rules it is obligatory on the part of mul cls to levy fees in the case of all patients other than the sick poor of the municipality or those unable to pay a medical attendant subject to such regulations as the Councils may from time to time frame with the approval of the Govt.

Contrary to these rules the mul. cl in this case has not apparently been levying fees till now. Nor is it known whether the Council has framed any regulations under rule 44 (2).

The cl. may now be asked to say whether it has framed any such regulations and if not, to frame regulations and submit them for the approval of the Govt.

Draft order approving the rules submitted for approval.

2. The Trichinopoly Municipality framed certain rules for the treatment of patients in its allopathic dispensaries and got the approval of the Govt in G.O. 225 P.H dt 20.12.26. These rules with the amendments in Ms 1 & 5 of G.O. 225 P.H dt 20.12.26. Perhaps Govt can exempt the Municipality from framing rules in respect of the Mangalm dispensary. A separate Govt. order may be passed.
